

"Rising Up in Challenging Times"

31ST ANNUAL ISLA DEL SOL PLAY FOR HUNGER

Dear Isla Members,

Our 31st annual "Play for Hunger" campaign is off and running to a great start. This is one of the club's favorite events each year. There is something for everyone to participate in, whether it is golf, tennis, boating or good old-fashioned games. If you have never participated, make this year the year!! Due to the pandemic some events may look a little different than in prior years but rest assured that every event is being planned with "social distancing" and health safety requirements in place

The detailed information for this year's event is attached. There are three forms, which you can print from your computer, or you can pick them up in many places around the club.

1. **Donor Participation Information** - this form explains the different levels of giving and what events are included.
2. **Donation Form** – this is the most important! Please make your donation as soon as possible.
3. **Event Sign Up Sheet** - you must sign up to participate all events.

While this always a fun social event for our members, more importantly it speaks to the culture of our club and the pride of giving by our members. Over the past 30 years you have generously given over \$2.6 million dollars to support Daystar Life Center and St. Petersburg Free Clinic. 2020 has been a year like no other and the needs of the less fortunate in our community have been like no other. The statistics associated with the amount of food distributed, health care received and assistance with utility and rent payments are unprecedented. Even though there is now light at the end of the tunnel, the COVID fight is far from over. **Click the links below to the organizations websites for more information about what these two organizations do to serve our community.**

Last year we raised a phenomenal \$177,866 and our goal is to ***"Rise up in Challenging Times"*** by exceeding that amount this year. Please reach deep into your hearts and pockets and together let's ***"meet and beat the challenge"*** this year like none other.
